“Your One-stop Shop for
Posting & Finding
The Best Jobs in Seychelles

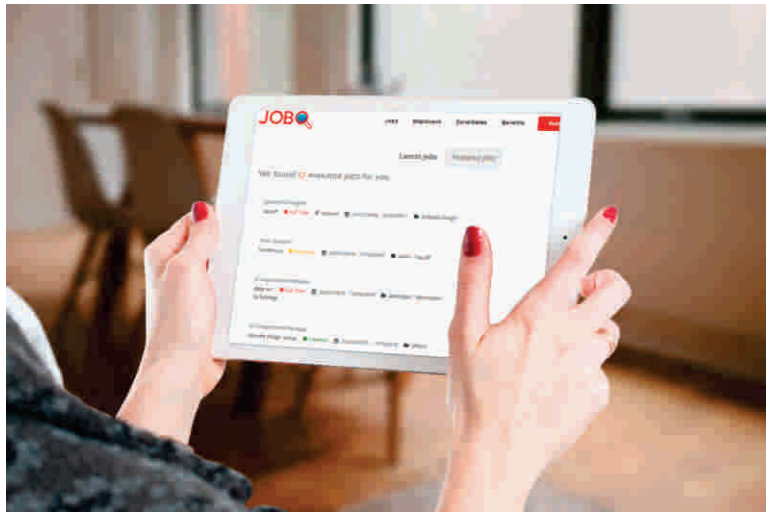

Established in September 2016, JOBQ is Seychelles' best value for money Job Board offering employers the perfect platform to list their vacancies at short notice to a world-wide audience and find the best available talent.

Why JOBQ?

We have first-hand knowledge of the pains of finding suitable talent here in Seychelles, let alone finding the right candidate, whenever there is a new job opening, at all levels. As an employer, you know that this is a long and costly process. We believed that there had to be another solution.

“ JOBQ was developed to give employers more control and more value for their advertising budget and more importantly the opportunity to help reduce their overall recruitment costs.

With JOBQ employers in Seychelles will now be able to post jobs and receive and review applications within a matter of minutes. As a candidate you can now post your credentials on JOBQ and market your hard earned skills and qualifications to the world with much more ease and speed. We hope that you achieve great success with JOBQ! Oh by the way (in case you were wondering), JOBQ is short for 'Job Opportunities'.

WE UNDERSTAND THAT TIME IS VERY IMPORTANT FOR YOU

As an Employer you can post (and re-post) multiple jobs and start receiving and reviewing applications within a matter of minutes ... then you can go back to running your business as you want to.

“ Post Your Jobs and Start Receiving Applications Within a Matter of Minutes

YOU WILL COME OUT WINNING

JOBQ definitely offers employers more value for money by posting jobs up to 30 days or more whilst giving candidates much more valuable information about their openings for a more informed decision. Additionally, with our marketing strategy, the more jobs you post, the more value you will get ... ensuring that you come out winning!

SAVE TIME & MONEY

As an employer, you can also opt to search through our job seekers database and headhunt the best available candidates and in the process manage your resources more effectively. Alternatively, you can post your jobs ... either way, you will be saving time and money by reducing your overall recruitment costs!

GET THE STATS

Employers can easily manage applications even on the go from multiple devices as well as track the number of views and applications on your postings and from these analytics, make any necessary adjustments to your job openings.

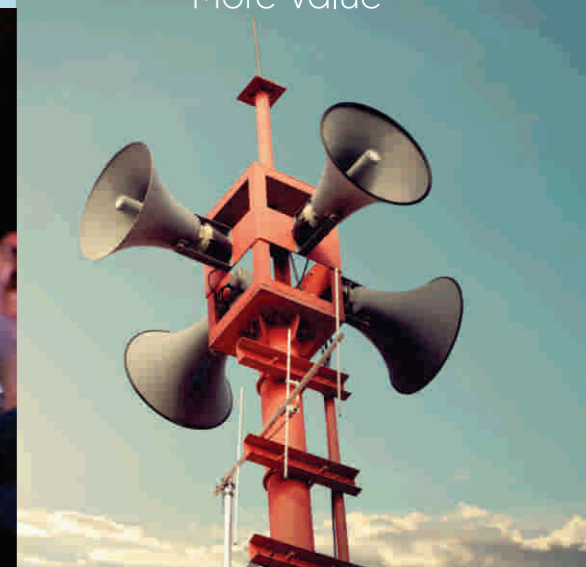

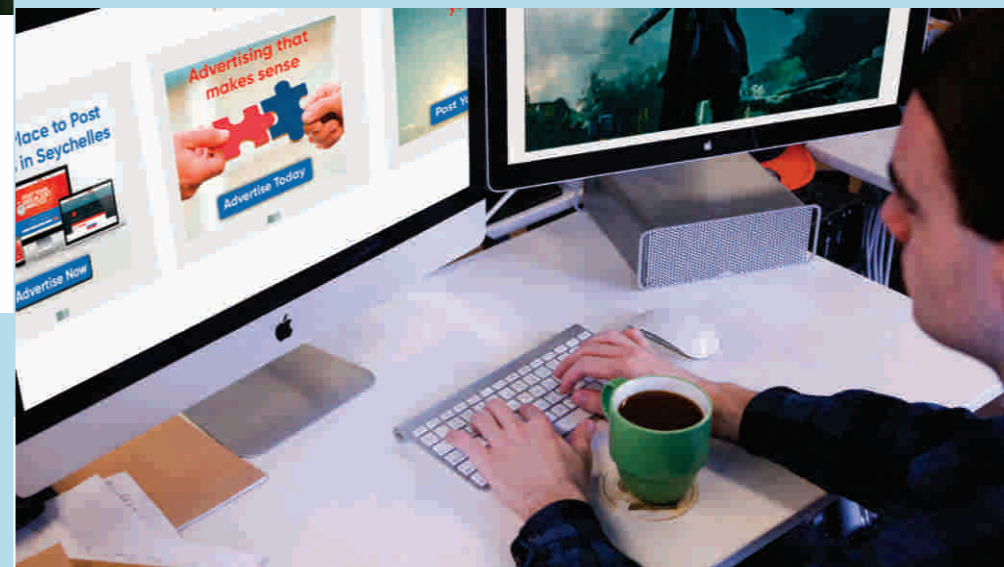

ONLINE BANNER & VIDEO ADVERTISING OPPORTUNITIES

JOBQ offers advertisers digital advertising opportunities that delivers measurable results campaign after campaign.

NEWS & SUCCESS STORIES

We will tell the world about your happenings and Success Stories ... this way you get More Value

GET TO KNOW CANDIDATES BEFORE

Using our built-in 'Live Chat' tool, Employers can chat with multiple candidates that have passed their initial review process to get to know them a little bit more and schedule interviews in a matter of minutes.
